**"Dreams can only come true if we unite, optimistic and believe in ourselves"**

Ir. H. Joko Widodo  
President of Indonesia

From 1 October 2021, all levels of Indonesia will take part in celebrating the 76th anniversary of the country's independence. "Celebrating our independence is not just a day of reflection, but a time to look back at the progress we have made and to look forward to the challenges we face. We will continue to work together to build a better Indonesia for all."

From 1 October 2021, all levels of Indonesia will take part in celebrating the 76th anniversary of the country's independence. "Celebrating our independence is not just a day of reflection, but a time to look back at the progress we have made and to look forward to the challenges we face. We will continue to work together to build a better Indonesia for all."

### Opening Ceremony 1 October 2021

Crowned with pride, the Indonesia Pavilion will mark a grand opening via cultural dance and art performances on the celebration of their independence. The pavilion will dance across the technological city of Indonesia, with a mesmerizing set in sync together representing the region of Indonesia.

### National Day 4 November 2021

Commemorating Indonesia's National Day with a special program (BUTIR). Our work heritage or "sprit" has a great role in history. Indonesia's independence is a result of the struggle and cooperation of the various regions, giving birth to a new nation.

The opening event will be followed by a series of cultural performances, giving a glimpse of the AI Year 2021.

### Since 1964,

Indonesia has grown to take a strong position on the global stage. As the 2nd largest country in the world, Indonesia is a member of the G20, APEC, and ASEAN. It is also a member of the World Trade Organization (WTO) and the World Bank.

### During its course,

Indonesia has achieved significant milestones in various fields, including education, healthcare, and infrastructure. The country has also made significant progress in reducing poverty and improving the quality of life for its citizens.

### Future to the World

Indonesia is a country with a rich cultural heritage and a diverse population. It is a country that is full of life and energy, and it is a country that is always ready to welcome the world.

### Future Ready

Indonesia is committed to a sustainable future. The government is working to improve the quality of life for its citizens and to protect the environment. It is also working to attract foreign investment and to create jobs for its young population.

### Indonesia Participation at Expo 2020 Dubai

Indonesia is happy to announce its participation in the World Expo in Expo 2020 Dubai. The pavilion will showcase the best of Indonesian culture, art, and technology.

### Indonesia Pavilion at Opportunity District

The pavilion will be a masterpiece of Indonesian architecture and design. It will be a place where visitors can experience the beauty and diversity of Indonesia.

## INTRODUCE IPANCA

The mascot of the Indonesia Pavilion in Expo 2020 Dubai named "Panca" was inspired by the number five of Pancasila and the five elements of nature namely fire, earth, metal, water, and wood.

The IDN logo on Panca's chest represents the three noble words for Indonesia.

The batik pattern on the body of Panca is the hallmark of the nation.

# STAY SAFE WHILE SURFING

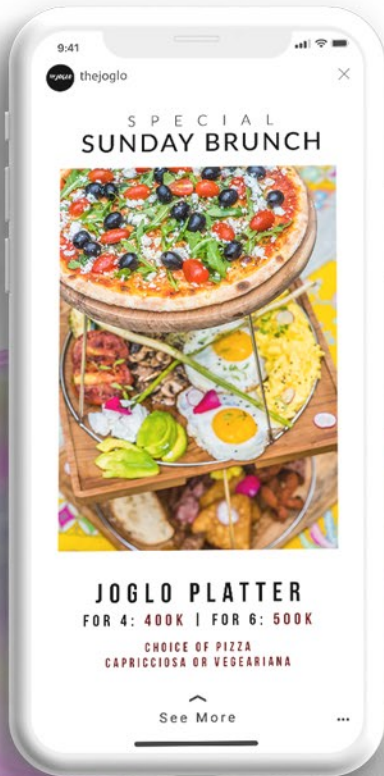

*Crocodylus porosus*

Buaya mūāra atau buaya bekatak (*Crocodylus porosus*) adalah jenis buaya terbesar di dunia. Dinamai demikian karena buaya ini hidup di sungai-sungai dan di dekat laut (muara). Buaya ini juga dikenal dengan nama buaya air asin, buaya laut, dan nama-nama lokal lainnya. Dalam bahasa Inggris, dikenal dengan nama Saltwater crocodile, Indo-Australian crocodile, dan Man-eater crocodile. Nama umumnya, Man-eater= "pemakan manusia", karena buaya ini terkenal pernah (dan sering) memangsa manusia dan babi yang memasuki wilayahnya. Buaya ini tersebar di seluruh perairan dataran rendah dan perairan pantai di daerah tropis Asia Selatan, Asia Tenggara, dan Australia (Indo-Australia).
